Mr. Braverman:

Thank you for your recent presentation, "When Things Get Tough, the Tough Lighten Up!" given to the 78th Annual TAOG/Texas Section ACOG meeting in Houston. We appreciate your time and effort on behalf of our group, and everyone thoroughly enjoyed your presentation. They also enjoyed your book as an extra 'bonus' for attending. Thank you for the opportunity to include this for our attendees!!

You made quite a number of people smile..... that's what it's about! Life is too short to be taken seriously all the time!

We wish you continued success!

Sincerely,

Karen O'Briant
